

Awards in the 22nd Congressional District

Two local schools have been awarded 17 classic books on the theme of “Created Equal” made possible through the National Endowment for the Humanities’(NEH) *We the People* Bookshelf program.

‘Created Equal’ encourages students to explore one of America’s greatest founding principles, and the books featured in this collection both address the concept of equality and recount the periods of our history which tested the declaration that ‘all men are created equal.

Schools in the 22nd Congressional District include:
